TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 1(c) Other: the amendment proposed to the specification is not relative to the last entered amendment (i.e., the prior version). The amendment after final of 24 March 2006 was not entered yet the 6 April 2006 amendment is presented as if it had been entered. This is improper. Amendments must be presented with respect to the last entered amendment.

Continuation of 4(e) Other: All claims being currently amended must be presented with markings to indicate the changes that have been made relative to the immediate prior version. The claims (e.g., claim 1) have been presented with respect to the unentered amendment of 6 March 2006. This is not proper. The amendments must be resubmitted with respect to the last entered version. Additionally, an amendment is present for claim 1 but the claim is presented with the status identifier "previously presented". This is improper.
